MEMORANDUM FOR: Deputy Director for Operations  
FROM: Director of Central Intelligence  
SUBJECT: South African Demarche ☐

25X1

The Ambassador's message reporting the demarche from Prime Minister Botha on the Defense Attache's aircraft incident had a paragraph in it which also described a number of other complaints against U.S. intelligence activities. One of these was using pornographic literature to get information; another was going out on military bases without authorization; another was landing aircraft on military airfields without clearance. Would you dig that out and query ☐ a senior intelligence officer to dig up the details of each of these allegations which the Prime Minister made but which he also said he would not issue publicly? ☐
